References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2005**, and to the California Revenue and Taxation Code (R&TC).

What's New

Third Party Designee

Conformity

For updates regarding the following federal act, go to our website at **ftb.ca.gov** and search for **conformity**.

- Economic Stimulus Act of 2008

General Information

A Important Information

In general, California law conforms to the Internal Revenue Code (IRC) as of **January 2005**. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to our website at **ftb.ca.gov** and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540, California Adjustments—Residents, or 540NR, California Adjustments—Nonresidents and Part-year Residents), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

R&TC Sections 17024.5 and 23051.5 have been amended to clarify that, unless otherwise expressly disallowed, federal elections made before a taxpayer becomes a California taxpayer are binding for California tax purposes.

Form 565, Side 1, line 4 through line 12 have been updated to reflect the separation of the lines to report gains and losses. Net amounts are no longer reported on these lines. The lines that included repairs, rent, and taxes have been eliminated and will now be included in line 21 (Other Deductions).

Registered Domestic Partners (RDP)

RDPs under California law must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs will have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into in a same sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, effective for taxable years beginning on or after January 1, 2007, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. For more information on what states have legal unions that are considered substantially equivalent, go to our website at **ftb.ca.gov** and search for **RDP**.

For purposes of California income tax, references to a spouse, a husband, or a wife also refer to a California Registered Domestic Partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner," and a California Registered Domestic "Partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Round Cents to Dollars

Round cents to the nearest whole dollar. For example, round \$50.50 up to \$51 or round \$25.49 down to \$25. If you do not round, the FTB will disregard the cents. This change helps process your returns quickly and accurately.

Revised Schedule K and Schedule K-1

The California Schedule K (565), Partners' Shares of Income, Deductions, Credits, Etc., and Schedule K-1 (565), Partner's Share of Income, Deductions, Credits, Etc., line items have been revised to be in a similar format with the federal Schedule K (1065), Partners' Distributive Share Items, and K-1 (1065), Partner's Share of Income, Deductions, Credits, Etc.. Refer to the Schedule K Federal/State Line References chart, in this booklet, and Specific Line Instructions when completing California Schedule K (565) and Schedule K-1(565).

Limited Partnership Act of 2008

For taxable years beginning on or after January 1, 2008, domestic limited partnerships whose certificates of limited partnership have been canceled may revive by filing a certificate of revival with the California Secretary of State. The certificate of revival must include written confirmation by the FTB that all taxes, interest, and penalties have been paid for all taxable years through the date of revival. This includes the taxable years after the limited partnership canceled.

IRC 409A Additional Taxes for Discounted Stock Options and Stock Appreciation Rights

Include additional taxes paid by the employer as compensation in the employee's 2007 Form W-2 if all of the following apply:

- The employee exercised certain discounted stock options or stock appreciation rights in 2006.
- The employer participated in the Franchise Tax Board's 2007 Compliance Resolution Program described in FTB Notice 2007-1.
- The employer paid the additional IRC Section 409A taxes on behalf of their employees.

For tax treatment information for victims of the wildfires that occurred in El Dorado, Santa Barbara, Ventura, Los Angeles, San Bernardino, Orange, Riverside, and San Diego counties, get FTB Pub. 1034, How to Claim a State Tax Deduction for Your Disaster Loss.

January 2007, Freezing Conditions

For tax treatment information for victims of the January 2007, freeze that occurred in El Dorado, Fresno, Imperial, Kern, Kings, Madera, Merced, Monterey, Riverside, San Bernardino, San Diego, San Luis Obispo, Santa Barbara, Santa Clara, Stanislaus, Tulare, Ventura, and Yuba Counties, get FTB Pub. 1034, How to Claim a State Tax Deduction for Your Disaster Loss.

e-filing – In January 2007, the FTB began offering e-filing for partnerships filing Form 565, California Partnership Return of Income, and certain accompanying forms and schedules. Check with the software provider to see if the partnership can e-file.

Reconciliation of Income – For taxable years beginning on or after January 1, 2006, the Internal Revenue Service (IRS) requires certain partnerships to complete Schedule M-3 (Form 1065), Net Income (Loss) Reconciliation for Certain Partnerships, instead of Schedule M-1, Reconciliation of Income (Loss) per Books With Income per Return. For California purposes, the partnerships must complete the California Schedule M-1, and attach either of the following:

- A copy of the Schedule M-3 (Form 1065) and related attachments to the Partnership Return of Income.
- A complete copy of the federal return.

FTB will accept the Schedule M-3 (Form 1065) in a spreadsheet format if more convenient.

Dissolving or Cancelling/Tax Clearance Certificate Process

For taxable years beginning on or after January 1, 2006, Limited Partnerships (LP) or Limited Liability Partnerships (LLP) will not be required to obtain a Tax Clearance Certificate prior to the dissolution or cancellation of the LP or LLP. For more information, see General Information, Cancelling a Limited Partnership or Limited Liability Partnership.

California Use Tax

If your partnership made purchases outside California and used them in California, it may owe California use tax. The partnership should

report and pay the tax on the California Franchise or Income Tax Return unless the use tax has been previously reported to the State Board of Equalization. See page 9, Additional Information "California Use Tax" for more information.

California Tax Information on the Internet

You can download, view, and print California tax forms and publications from our website at ftb.ca.gov.

Federal Tax Information on the Internet

The IRS also has federal forms and publications available to download, view, and print. The IRS's website is irs.gov.

State Agencies' Websites

Access other state agencies' websites through the State Agencies Directory on California's website at ca.gov.

Joint Agency Website

For additional business tax information, go to the California Tax Service Center website, sponsored by the Board of Equalization (BOE), Employment Development Department (EDD), FTB, and IRS. The Joint Agency website is located at taxes.ca.gov.

Providing California and Federal Returns

The FTB may request a copy of California or federal returns that are subject to or related to a federal examination. Generally, the California statute of limitations is four years from the due date of the return or from the date filed, whichever is later. However, the statute is extended in situations where an individual or a business entity is under examination by the IRS. For additional information concerning the extended statute of limitation due to a federal examination, see General Information, Amended Return.

The FTB recommends keeping copies of returns and records that verify income, deductions, adjustments, or credits reported, for at least the minimum time required under the statute of limitations. However, some records should be kept much longer. For example, partners should keep records substantiating their basis in a partnership and property owners should keep records to figure the basis of property.

Substitute Schedule K-1 (565)

The FTB recommends filing **paperless** substitute Schedules K-1 (565). Since software is most often used to prepare Form 565 and Schedules K-1 (565), you may already have the information needed to prepare paperless Schedules K-1 (565). Once the information is in a database or spreadsheet, it's easy to transfer to the required record layout and then save it to a CD or diskette.

Get approval from the FTB to use substitute Schedules K-1 (565), if the partnership:

- Wants to use paperless Schedules K-1 (565).
- Does not use the official California Schedule K-1 (565) prepared by the FTB.
- Does not use a software program with an FTB-approved Schedule K-1 (565).

The FTB does not accept federal Schedules K-1 (1065) as a substitute schedule.

For more information, see General Information, Substitute Schedules.

Federal/State Differences

California tax law generally conforms to federal tax law in the area of partnerships (IRC Subchapter K – Partners and Partnerships). However, there are some differences:

- An \$800 annual tax is generally imposed on LPs, LLCs classified as partnerships for tax purposes, LLPs, and REMICs that are partnerships or are classified as partnerships for tax purposes.
- Distributions to certain nonresident partners are subject to withholding for California tax.
- A deduction for taxes paid to other states is not allowed.
- California follows federal law by requiring partnerships to use a required taxable year. However, California does not conform to the federal required payment provision.
- California law has specific provisions concerning the distributive share of partnership taxable income allocable to California, with special apportionment formulas for professional partnerships.
- California law modifies the federal definitions for unrealized receivables and substantially appreciated inventory items.

- California does not conform to the electing large partnership provisions.
- Partnerships can electronically file their California partnership returns. Also, partnerships can file Schedules K-1 (565) via CD or diskette. (See General Information, Substitute Schedules, for more information.)
- California has not conformed to the provisions relating to the Tax Equity and Fiscal Responsibility Act (TEFRA).
- California has not adopted the federal definition of small partnerships, as defined in IRC Section 6231.

This list is not intended to be all-inclusive for the federal and state differences. For additional information, consult California's R&TC.

Conversion to a Limited Liability Company (LLC)

A partnership that converts to an LLC during the year must file two California returns. Even if the partners/members and the business operations remain the same, the partnership should file Form 565 for the beginning of the year to the date of change. For the remainder of the year, the newly converted LLC would file Form 568, Limited Liability Company Return of Income. See General Information, Accounting Periods, for further instructions.

Revised Uniform Partnership Act (RUPA)

California has enacted RUPA which applies to partnerships formed after January 1, 1997. RUPA applies to all partnerships after January 1, 1999. RUPA governs the formation, operation, and liquidation of partnerships in California. However, the R&TC governs the taxation of partnerships doing business in California. For partnerships operating under the newest version of the Uniform Limited Partnership Act of 2008, see Limited Partnership Act of 2008 under "Important Information."

Tax Shelter

If the partnership was involved in a reportable transaction, including a listed transaction, the partnership may have a disclosure requirement. Attach the federal Form 8886, Reportable Transaction Disclosure Statement, to the back of the California return along with any other supporting schedules. If this is the first time the reportable transaction is disclosed on the return, send a duplicate copy of the federal Form 8886 to the address below. The FTB may impose penalties if the partnership fails to file federal Form 8886, Form 8918, Material Advisor Disclosure Statement, or any other required information. A material advisor is required to provide a reportable transaction number to all taxpayers and material advisors for whom the material advisor acts as a material advisor.

Claim of Right

If the partnership had to repay an amount that was included in income in an earlier year, under a claim of right, the partnership may be able to deduct the amount repaid from its income for the year in which it was repaid. Or, if the amount the partnership repaid is more than \$3,000, the partnership may be able to take a credit against its tax for the year in which it was repaid. For more information, see the Repayment section of federal Publication 525, Taxable and Nontaxable Income.

Punitive Damage Awards

~~For court actions filed after August 16, 2004, and the final determination rendered by June 30, 2006, the tax treatment of punitive damages differs between federal and State. For California purposes, the amount of punitive damages paid to the director of the Department of Finance shall be excluded from income and the attorney fees associated with the amount paid are not deductible.~~

B Purpose

Form 565 is an information return for calendar year 2008 or fiscal years beginning in 2008. Use Form 565 to report income, deductions, gains, losses, etc., from the operation of a partnership.

C Definitions

Limited Partnership (LP)

A partnership formed by two or more persons under the laws of this state and having one or more general partners and one or more limited

partners. Limited partnerships are required to register with the California Secretary of State (California SOS).

Limited Liability Partnership (LLP)

California law authorizes the formation of LLPs with activities limited to either the practice of public accountancy, law, architecture, and related services. California also recognizes out-of-state LLPs doing business in California.

An LLP is a partnership, other than a limited partnership, that has a Certificate of Registration on file with the California SOS as described in Corporation Code Section 16951.

Real Estate Mortgage Investment Conduit (REMIC)

A special tax vehicle for entities that issue multiple classes of investor interests backed by a fixed pool of mortgages.

For additional information get the instructions for federal Form 1066, U.S. Real Estate Mortgage Investment Conduit (REMIC) Income Tax Return, federal Publication 938, Real Estate Mortgage Investment Conduits (REMICs) Reporting Information, and Other Collateralized Debt Obligations (CDO).

Additional Definitions

For definitions of a partnership, general partner, limited partner, nonrecourse loans, apportionment, unitary, etc., see the Partner's Instructions for the Schedule K-1 (565) and the instructions for federal Form 1065, U.S. Partnership Return of Income.

D Who Must File

A partnership (including REMICs classified as partnerships) that engages in a trade or business in California or has income from a California source must file Form 565. Regardless of where the trade or business of the partnership is conducted, a partnership is considered to be doing business in California if any of its partners (general or limited) or other agents are conducting business in California on behalf of the partnership.

An electing large partnership that completes federal Form 1065-B, U.S. Return of Income for Electing Large Partnerships, must still use Form 565. California does not conform to the electing large partnership provisions.

Limited partnerships and LLPs (both foreign and domestic) doing business in California, that have a certificate on file, or are registered with the California SOS (whether or not doing business in California) must file a return and pay the \$800 annual tax.

The limited partnership is still required to file if it is registered in California and both of the following apply:

- It is not doing business in California.
- It does not have California source income.

However, if the LP meets both of the above provisions, then it may be eligible for the reduced filing program. The LP's filing requirement will be satisfied by:

1. Completing Form 565 with all supplemental schedules.
2. Completing and attaching California Schedules K-1 (565) for partners with California addresses.
3. Writing "SB 1106 Filing" in red at the top of Form 565, Side 1.
4. Entering the total number of partners in Question K, Side 2, of Form 565.

Religious and apostolic organizations that are exempt from income tax under R&TC Section 23701k are not required to file Form 565. However, Form 565 should be prepared and attached to Form 199, California Exempt Organization Annual Information Return.

LLCs may be classified for tax purposes as a partnership, a corporation, or a disregarded entity (see General Information, Check-the-Box Regulations). The LLC must file the appropriate California return for its classification.

Every LLC classified as a partnership for tax purposes must file **Form 568** if any of the following apply:

- Doing business in California.
- Organized in California.
- Organized in another state or foreign country, but registered with the California SOS.

Nonregistered foreign LLCs that are not doing business, but are deriving income from California or filing to report an election on behalf of a California resident, must file Form 565.

Nonregistered foreign LLCs that are members of an LLC doing business in California or general partners in a limited partnership doing business in California are considered to be doing business in California and should file Form 568.

Certain publicly traded partnerships (PTP) treated as corporations under IRC Section 7704 must file Form 100, California Corporation Franchise or Income Tax Return.

A qualifying syndicate, pool, joint venture, or similar organization may elect under IRC Section 761(a) (which California follows) not to be treated as a partnership for state income tax purposes and will not be required to file Form 565 except for the year of election. If Form 565 is filed, a copy of the operating agreement and all amendments must be attached to the return, unless a copy has been previously filed with the FTB.

Partnerships, except LPs and LLPs, organized or registered in California, that do not do business in California and that do not receive income from California sources are not required to file Form 565. However, resident partners of a nonresident partnership may be required to furnish a copy of federal Form 1065.

E When and Where to File

A partnership must file Form 565 and pay the \$800 annual tax (if required) by the 15th day of the 4th month (fiscal year) or April 15, 2008 (calendar year), following the close of its taxable year.

Extensions

California does not require the filing of written extensions. If a partnership needs more time to file Form 565 by the return's due date, the partnership is granted an automatic six month extension.

However, the automatic extension does not extend the time to pay the \$800 annual tax.

If the partnership is filing the return under extension, see form FTB 3538, Payment for Automatic Extension for LPs, LLPs, and REMICs, included in this booklet. Send form FTB 3538 and the tax payment to the FTB by the 15th day of the 4th month following the close of the taxable year.

Private Delivery Services

California law conforms to federal law regarding the use of certain designated private delivery services to meet the "timely mailing as timely filing/paying" rule for tax returns and payments. See the instructions for federal Form 1065 for a list of designated delivery services. If a private delivery service is used, address the return to:

FRANCHISE TAX BOARD
SACRAMENTO CA 95827

Caution: Private delivery services cannot deliver items to PO boxes. If you will be using one of these services to mail any item to the FTB, **DO NOT** use an FTB PO box.

F Annual Tax

The \$800 annual tax applies to all LLCs, LPs, LLPs, and REMICs, if any of the following apply to the entity:

- It is doing business in California.
- It is registered in California.
- It is organized in California.

This tax cannot be deducted as an expense by the partnership or deducted from the partner's distributive share.

An LP that is filing **ONLY** to report California source income is **NOT** subject to the annual tax if all of the following apply:

- It is not doing business in California.
- It is not registered in California.
- It is not organized in California.

G Penalties and Interest

Failure to File a Timely Return or Provide Information

A penalty is assessed against the partnership if it is required to file a partnership return and one of the following occur:

- It fails to file the return on time, including extensions.
- It files a return, including Schedules K-1 (565), that fails to show all the information required.

The amount of the penalty for each month, or part of a month (for a maximum of five months) that the failure continues, is \$10 multiplied by the total number of partners in the partnership during any part of the taxable year for which the return is due. Interest will be charged on the penalty from the date the notice of tax due is sent by the FTB to the date the return is filed.

"Small partnerships," as defined in IRC Section 6231, the federal exception to the imposition of penalties for failure to file partnership returns, does not apply for California purposes. For more information see R&TC Section 19172.

Failure to Pay Total Tax by Due Date

For LPs, LLPs, and REMICs that must pay the \$800 annual tax with Form 565, a penalty for late payment of tax may be assessed. Any LP, LLP, or REMIC that fails to pay the \$800 annual tax by the original due date is assessed a penalty of 5% of the unpaid tax, plus 0.5% for each month or part of a month (not to exceed 40 months) the tax remains unpaid. This penalty cannot exceed 25% of the unpaid tax. Interest will be due and payable on the late payment.

Interest

Interest is due and payable on any tax due if not paid by the original due date. Interest is also due on some penalties. The automatic extension of time to file does not stop interest from accruing. California follows federal rules for the calculation of interest. Get FTB Pub. 1138, Business Entity Refund/Billing Information, for more information.

Other Penalties/Fees

A penalty may also be charged if a payment is returned for insufficient funds. In addition, fees may be charged for the cost of collections.

H Accounting Methods

Compute ordinary income or loss by the accounting method regularly used to maintain the partnership's books and records. This method must clearly reflect the partnership's income or loss.

Partnerships given permission to change their accounting method for federal purposes should see IRC Section 481 for information relating to the adjustments required.

Generally, a partnership may not use the cash method of accounting if the partnership has a corporate partner, average annual gross receipts of more than \$5 million, or is a tax shelter. For exceptions, see IRC Section 448.

The mark-to-market accounting method is required for securities dealers. The IRC Section 481 adjustment is taken into account ratably over five years beginning with the first income year.

I Accounting Periods

Partnership returns normally must be filed for an accounting period that includes 12 full months. A short period return must be filed if the partnership is created or terminated within the taxable year. In that case, please write "Short Period" in red ink at the top of Form 565, Side 1.

For information on the required taxable year of a partnership, see the instructions for federal Form 1065.

J Amended Return

If, after the partnership files its return, it becomes aware of changes it must make, the partnership should file an amended Form 565 and an amended paper Schedule K-1 (565) for each affected partner, if applicable. Check the "Amended Return" box on Form 565, Side 1, Item I(3) and on Schedule K-1 (565), Side 1, Item H(2). Give a corrected Schedule K-1 (565) labeled "Amended" to each affected partner. If the partnership originally filed a group nonresident partner Long Form 540NR, the partnership should file an amended Form 540NR.

If the partnership wishes to file amended Schedules K-1 (565) via CD or diskette see General Information, Substitute Schedules.

If the partnership's federal return is changed for any reason, the federal change may affect the partnership's California return. This would include changes made because of an examination. The partnership must file an amended return within six months of the final federal adjustments. The partnership should attach a copy of the federal Revenue Agent's Report or other notice of the adjustments to the return. The partnership should inform the partners that they may also be required to file amended returns based on any changes made by the IRS within six months from the date of the final federal adjustments.

K Required Information Returns

Every partnership must file information returns if, in the course of its trade or business any of the following occur:

- The partnership makes payments of rents, salaries, wages, annuities, or other fixed or determinable income during one taxable year totaling \$600 or more to one person.
- The partnership pays an individual or one payee interest and dividends totaling \$10 or more.
- The partnership receives cash payments over \$10,000.

Payments of any amount by a broker, dealer, or barter exchange agent must also be reported.

Partnerships must report payments made to California residents by providing copies of federal Form 1099. Get FTB Pub. 4227A, A Guide to Information Returns Filed With California, for more information.

If the partnership has nonresident partners, see the reporting and withholding requirements on Form 592, Quarterly Nonresident Withholding Statement; Form 592-F, Foreign Partner or Member Annual Return; Form 592-A, Foreign Partner or Member Quarterly Withholding Remittance Statement; and Form 592-B, Nonresident Withholding Tax Statement.

Partnerships must submit a copy of federal Form 8300, Report of Cash Payments Over \$10,000 Received in a Trade or Business, within 15 days after the date of the transaction.

Partnerships must report interest paid on municipal bonds issued by a state other than California or a municipality other than a California municipality and that are held by California taxpayers. Entities paying interest to California taxpayers on these types of bonds are required to report interest payments totaling \$10 or more paid after January 2, 2008. Information returns will be due June 1, 2009. Get form FTB 4800, Federally Tax Exempt Non-California Bond Interest and Interest-Dividend Payment Information, for more information.

Partnerships must use form FTB 3834, Interest Computation Under the Look-Back Method for Completed Long-Term Contracts, to report interest due or to be refunded under the look-back method on long-term contracts.

If you are filing form FTB 3834 to compute the interest due or to be refunded under the look-back method, attach a copy of form FTB 3834 to Form 565.

Any information returns required for federal purposes under IRC Sections 6038, 6038A, and 6038B are also required for California purposes. Attach the information returns to Form 565 when filed. If the information returns are not provided, penalties may be imposed.

Mail all information returns, unless otherwise noted, separately from Form 565. Information returns should be mailed to:

FRANCHISE TAX BOARD
PO BOX 942857
SACRAMENTO CA 94257-0600

M Signatures

General Partner

Form 565 is not considered a valid return unless it is signed by a general partner. If a receiver, trustee in bankruptcy, or assignee controls the organization's property or business, that individual must sign the return.

Paid Preparer's Information

Anyone who is paid to prepare the partnership return must sign the return and complete the "Paid Preparer's Use Only" area of the return.

The paid preparer must do all of the following:

- Complete the required preparer information.
- Sign in the space provided for the preparer's signature.
- Give the partnership a copy of the return in addition to the copy to be filed with the FTB.

An individual who prepares the return and does not charge the partnership should not sign the partnership return.

Third Party Designee

If the partnership wants to allow the FTB to discuss its 2008 return with the paid preparer who signed it, check the "Yes" box in the signature area of the return. This authorization applies only to the individual whose signature appears in the "Paid Preparer's Use Only" section of the return. It does not apply to the firm, if any, shown in that section.

If the "Yes" box is checked, the partnership is authorizing the FTB to call the paid preparer to answer any questions that may arise during the processing of its return. The partnership is also authorizing the paid preparer to:

- Give the FTB any information that is missing from the return
- Call the FTB for information about the processing of the return or the status of any related refund or payments.

→ Respond to certain FTB notices about math errors, offsets, and return preparation.

The partnership is not authorizing the paid preparer to receive any refund check, bind the partnership to anything (including any additional tax liability), or otherwise represent the partnership before the FTB.

The authorization will automatically end no later than the due date (without regard to extensions) for filing the partnership's 2009 tax return. If the partnership wants to expand the paid preparer's authorization or revoke the authorization before it ends, see form FTB 3520, Power of Attorney Declaration for the Franchise Tax Board.

N Group Returns

Nonresidents or Part-year Residents

For taxable years beginning on or after January 1, 2006, a corporation may file a group nonresident return on behalf of certain electing nonresident individuals who receive wages, salaries, fees, or other compensation from that corporation for director services performed in California, including attendance at board of directors' meetings in California.

The laws guiding California's taxation of nonresidents, former nonresidents, and part-year residents set rules for calculating loss carryovers, deferred deductions, and deferred income, including the tax computation method to recognize those items. Get FTB Pub. 1100, Taxation of Nonresidents and Individuals Who Change Residency, for more information.

Nonresident partners of a partnership doing business or deriving income from sources within California may elect to file a group nonresident return (R&TC Section 18535). Get FTB Pub. 1067, Guidelines for Filing a Group Form 540NR, for more information.

O Investment Partnerships

Income of nonresident partners, including banks or corporations, derived from "qualifying investment securities" of an "investment partnership" is considered income from sources other than California, except as noted below. Therefore, nonresident partners generally will not be taxed on this income. The partnership should inform its nonresident partners if all or a portion of their distributive share of income is from "qualifying investment securities" of an "investment partnership" and whether it is sourced to California. See Specific Instructions, Question V on page 13 of this booklet, for definitions of qualifying investment securities and investment partnership.

However, for apportionment purposes, income from a partnership that is an investment partnership is generally considered business income (see Appeal of Estate of Marion Markus, Cal. St. Bd. of Equal., May 6, 1986). Investment partnerships doing business within and outside California should apportion California source income using California Schedule R, Apportionment and Allocation of Income.

Investment partnerships doing business solely within California should treat all business income of the investment partnership as California source income.

Investment partnerships that have California source income should fill out column (e) of the Schedule K-1 (565) showing each partner's distributive share of California source income.

Generally, partners who are nonresident individuals would not record this income as California source income. However, there are two exceptions to the general rule when a nonresident individual may have California source income from an investment partnership. Nonresident individual partners will be taxed on their distributive shares of income from the investment partnership if the income from the qualifying investment securities is interrelated with either of the following:

- Any other business activity of the nonresident partner.
- Any other entity in which the nonresident partner owns an interest that is separate and distinct from the investment activity of the partnership and that is conducted in California.

Corporations that are partners in an investment partnership are generally not taxed on their distributive share of partnership's income, provided that the income from the partnership is the corporation's only California source income. However, the corporation will be taxed on its distributive share of California source income of the partnership if either of the following apply:

- The corporation participates in the management of the investment activities of the investment partnership.
- The corporation has derived income from or attributable to sources within California other than income from the investment partnership.

P Cancelling a Limited Partnership (LP) or Limited Liability Partnership (LLP)

LPs and LLPs are required to pay the \$800 annual tax and file Form 565 until the appropriate papers are filed with the California SOS.

For taxable years beginning on or after January 1, 2006, the annual tax will not be assessed if the LP or LLP meets the following requirements:

1. The LP or LLP files a timely Final Partnership Return of Income for the preceding taxable year, including extension.
2. The LP or LLP did not do business in California after the final taxable year.
3. The LP or LLP files the appropriate documents for dissolution with the California SOS within 12 months of the timely filed Final Partnership Return of Income.

Limited Partnerships (LPs)

In order to terminate an LP, the following steps must be taken:

1. File a timely Final Partnership Return of Income with the FTB and pay the \$800 annual tax for the taxable year of the final return.
2. File Form LP-4/7, Certificate of Cancellation, with the California SOS. The California SOS also requires a domestic LP to file Form LP-3, Certificate of Dissolution. Please contact the California SOS for more details.

The Form LP-4/7's effective date will stop the assessment of the \$800 annual tax for future taxable years. If Form LP-4/7 is filed after the taxable year ending date, a subsequent year's return and an additional \$800 tax may be required. However, if the LP does no business after the end of the taxable year for which the final annual return is filed, and the LP files its termination documents with the California SOS before 12 months from the date the final return was timely filed, the LP will not owe the annual tax for subsequent years.

Example – LP files a timely 2007 return marked final on April 15, 2008, and pays the \$800 annual tax for 2007. LP does no business after 2007. LP files its termination documents with the California SOS before April 15, 2009. LP does not owe the \$800 annual tax for 2008.

Limited Liability Partnerships (LLPs)

In order to terminate an LLP, the following steps must be taken:

1. File a timely Final Partnership Return of Income with the FTB and pay the \$800 annual tax for the taxable year of the final return.
2. File Form LLP-4, Notice of Change of Status, with the California SOS. Please contact the California SOS for more details.

The Form LLP-4's effective date (the date Form LLP-4 is received by the California SOS) will stop the assessment of the \$800 annual tax for future taxable years. If Form LLP-4 is filed after the taxable year ending date, a subsequent year return and an additional \$800 may be required.

Q Withholding Requirements

Foreign (non-U.S.) Nonresident Partners

As described in IRC Section 1446 and modified by R&TC Section 18666, if a partnership has any income or gain from a trade or business within California, and if any portion of that income or gain is allocable under IRC Section 704 to a foreign (non-U.S.) nonresident partner, the partnership is required to withhold tax on the allocable amount.

State and Federal Differences Regarding Foreign (non-U.S.) Nonresident Partners

California generally conforms to IRC Section 1446 and corresponding federal rulings and procedures. The main differences between California and federal laws in this area are:

- a. The California withholding rate is 8.84% for C corporations and 9.3% for individuals, partnerships, and fiduciaries.
- b. Income attributable to the disposition of California real property is subject to withholding under R&TC Section 18662.

Domestic (U.S.) Nonresident Partners

A partnership is required to withhold funds for income or franchise taxes when it makes a distribution of income to a domestic (U.S.) nonresident partner (R&TC Section 18662). This includes prior year income that should have been, but was not, previously reported as income from California sources on the partner's California income tax return. However, withholding is not required if distributions of income from California sources to the partner are \$1,500 or less during the calendar year or if the FTB directs the payer not to withhold.

Domestic (U.S.) nonresident partners include individuals who are nonresidents of California and corporations that are not qualified to do business in California or do not have a permanent place of business in California. Domestic (U.S.) nonresident partners also include nonresident estates, trusts, LLCs, and partnerships that do not have a permanent place of business in California. Foreign nonresident partners covered under R&TC Section 18666 are not domestic nonresident partners.

Partnerships with income from within and outside California must make a reasonable estimate of the ratio, to be applied to the distributions, that approximates the ratio of California source income to total income. The ratio for the prior year will generally be accepted as reasonable in determining the California part of the distribution subject to the withholding. Partnerships are required to withhold at a rate of seven percent of distributions (including property) of income from California sources made to domestic nonresident partners.

The FTB has administrative authority to allow reduced withholding rates, including waivers, when requested in writing. These authorizations may be one-time, annual, or for a longer period. Waivers or reduced withholding rates will normally be approved when distributions are made by publicly traded partnerships and on distributions to brokerage firms, tax-exempt organizations, and tiered partnerships.

No withholding is required if the distribution is a return of capital or does not represent taxable income for the current or prior years. Although a waiver is not required in this situation, if upon examination the FTB determines that withholding was required, the partnership may be liable for the withholding and penalties.

Send waiver requests and inquiries to:

The withholding should be reported on and sent with Form 592, Form 592-A, Form 592-B, and/or Form 592-F. For more information, get FTB Pub. 1017, Nonresident Withholding Guidelines.

The taxable income of nonresident partners is the distributive share of California sourced partnership income, not the distributed amount.

R Check-the-Box Regulations

California generally conforms to the federal entity classification regulations (commonly known as "check-the-box" regulations). These regulations allow certain unincorporated entities to choose tax treatment

as a partnership, a corporation, or an entity disregarded as separate from its owner.

Generally, any elections made for federal purposes under the federal "check-the-box" regulations are considered California elections. No separate elections are allowed. If federal Form 8832, Entity Classification Election, is filed with the federal return, a copy should be attached to the electing entity's California return for the year in which the election is effective. The entity should file the appropriate California return.

An "eligible entity" may choose its classification. An eligible entity is a business entity that is not a trust, a corporation organized under a federal or state statute, a foreign entity specifically listed as a per se corporation, or other special business entities. Other special business entities under the IRC include PTPs, REMICs, financial asset securitization investment trusts (FASITs), or regulated investment companies (RICs). An eligible entity with two or more owners will be a partnership (for tax purposes) unless it elects to be taxed as a corporation. An eligible entity with a single owner will be disregarded for tax purposes, unless the entity elects to be taxed as a corporation. If the separate existence of an entity is disregarded, its activities are treated as activities of the owner and are reported on the appropriate California return.

IMPORTANT: The exception to the general rule exists under R&TC Section 23038(b)(2)(C) in the case of an eligible business entity. The exception does not apply to a business entity which, during the 60 month period preceding January 1, 1997, was appropriately classified as an association taxable as a corporation and met all of the following conditions:

- The business entity was not doing business in California.
- The business entity did not derive income from sources within California.
- The business entity had no partners who were residents of California.

The eligible business entities are generally: 1) Business trusts that were classified as corporations under California law, but were classified as partnerships for federal tax purposes for taxable years beginning before January 1, 1997; and 2) Previously existing foreign single member limited liability companies (SMLLCs) that were classified as corporations under California law but claimed to be partnerships for federal tax purposes for taxable years beginning before January 1, 1997.

These business trusts and previously existing foreign SMLLCs will continue to be classified as corporations for California tax purposes and must continue to file Form 100, unless they make an irrevocable election to be classified or disregarded the same as they are for federal tax purposes. See form FTB 3574, Special Election for Business Trusts and Certain Foreign Single Member LLCs, and Cal. Code Regs., tit. 18 sections 23038(a)-(b).

S Substitute Schedules

Partnerships or their tax professional must get approval from the FTB to use a substitute schedule, if any of the following apply:

- The partnership wants to use **paperless** Schedules K-1 (565).
- The partnership does not use the official California Schedule K-1 (565) prepared by the FTB.
- The partnership does not use a software program with an FTB-approved Schedule K-1 (565.)

If you use computer software, please read the company's user manual to make sure you have the necessary hardware and printer fonts to produce FTB-approved forms. All printing should be done to the standards specified in FTB Pub. 1098, Annual Requirements and Specifications for the Development and Use of Substitute, Scannable, and Reproduced Tax Forms. For more information, get FTB Pub. 1095D, Tax Practitioner Guidelines for Computer-Prepared Returns.

Partnerships are subject to penalties for failure to file the appropriate Schedule K-1 (565). See General Information, Penalties and Interest.

To participate in the FTB's substitute forms program, get FTB Pub. 1098, and form FTB 1096, Agreement to Comply with FTB Pub. 1098, Annual Requirements and Specifications.

Paperless Schedule K-1 (565)

For the procedures, formatting specifications, and record layouts required to program paperless Schedules K-1 (565) get FTB Pub. 1062, Guide for Filing Paperless Schedules K-1 (565 or 568).

The transmittal form FTB 3604, Transmittal of Paperless Schedules K-1 (565 or 568) on CD or Diskette, must accompany paperless Schedules K-1 (565) submitted on CD or diskette. Form FTB 3604 is included in FTB Pub. 1062, or in a fillable format on our website at ftb.ca.gov.

K-1 (565 or 568) TestWare is also available at no charge. K-1 TestWare will help identify and correct errors during programming and before submitting the paperless schedules.

K-1 (565 or 568) TestWare includes two programs:

- K-1 Verify, edits the Schedule K-1 (565) records to ensure the fields are the correct length and position that the FTB requires and produces an edit report.
- K-1 Convert, converts spreadsheet formats to standard fixed length formats so you can use them with K-1 Verify.

Once verification is made to ensure the partnership's paperless Schedules K-1 (565) pass the K-1 Verify program, send the schedules to the FTB using form FTB 3604. Multiple partnerships can be put on the same CD or diskette. It is not necessary to provide a separate CD or diskette for each partnership. However, include each partnership's name, FEIN, and number of Schedules K-1 for that partnership in the space provided on form FTB 3604.

If the partnership files paperless Schedules K-1 (565), file all Schedules K-1 (565) for that partnership using the paperless process.

Do not file paper Schedules K-1 (565) with the Form 565 if the partnership has filed or will file paperless Schedules K-1 (565).

Do not file Schedules K-1 (565) on microfiche or file federal Schedules K-1 (1065) with the Form 565.

To get the publication and the K-1 Testware go to our website at ftb.ca.gov and search for **testware**.

Additional Information

California Use Tax

General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases from out-of-state sellers and is similar to the sales tax paid on purchases made in California.

In general, partnerships must pay California use tax on purchases made from outside California (for example, by telephone, over the Internet, by mail, or in person) if either of the following apply:

- The seller does not collect California sales or use tax.
- The partnership uses, gives away, stores, or consumes the item in this state.

Example: The partnership purchases a conference table from a company in North Carolina. The company ships the table from North Carolina to the partnership's address in California for the partnership's use and does not charge California sales or use tax. The partnership owes use tax on the purchase.

Complete the Use Tax Worksheet on page 11 to calculate the amount due.

Extensions to file. If the partnership requests an extension to file its tax return, wait until the partnership files its return to report the purchases subject to use tax and to make the use tax payment.

To avoid late payment penalties for use tax, the partnership must report and pay the use tax with a timely filed income tax return.

Changes in use tax reported. Do not file an Amended Partnership Return of Income to revise the use tax previously reported. If the partnership has changes to the amount of use tax previously reported on the original tax return, contact the State Board of Equalization.

For assistance, go to the State Board of Equalization's website at boe.ca.gov or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929. Income tax information is not available at this number.

Specific Instructions

Form 565

Fill In All Applicable Lines and Schedules

Enter the total amounts on the applicable lines of Schedule K (565), Partners' Share of Income, Deductions, Credits, etc. **Do not** enter these items directly on Form 565, Side 1, Schedule A or Schedule D. **Do not** apply the apportionment factor to the items on Schedule K (565). Enter any items specially allocated to the partners on the applicable line of the partner's Schedule K-1 (565).

Whole numbers should be shown on the return and accompanying schedules.

Name, Address, FEIN, and California SOS File Number

The partnership may use its legal or trade name on all California returns and other documents filed. Print the partnership's legal or trade name, address, FEIN, and California SOS file number.

- Federal employer identification number (FEIN) (nine digits)
- Secretary of State (California SOS) file number is 12 digits and begins with "19" or "20"
- Partnership name (use the legal name filed with the California SOS) and address, include Private Mail Box (PMB) number, if applicable.

If the partnership leases a PMB from a private business rather than a PO box from the United States Postal Service, include the PMB in the address area. Example: 111 Main Street PMB 123.

Item C – Principal Business Activity Code (PBA)

California uses the 6-digit federal PBA Code based on the North American Industry Classification System (NAICS).

Common trust funds are required to use PBA code 525920. Investment clubs are required to use PBA code 523900. For further information, see the instructions for federal Form 1065.

Item F – Total Assets at End of Taxable Year

See the instructions for Question O before completing this item.

If the partnership is required to complete this item, enter the total assets at the end of the partnership's taxable year. This is determined by the accounting method regularly used to maintain the partnership's books and records. If there are no assets at the end of the taxable year, enter the total assets as of the beginning of the taxable year.

Income

Line 1 through Line 12

California's reporting requirements are generally the same as the federal reporting requirements. Follow the instructions for federal Form 1065 and only include trade or business activity income on line 1 through line 12. However, for California tax purposes, business income of the partnership is computed using the rules set forth in R&TC Section 25120. Therefore, certain income that may be portfolio income for federal purposes may be business income for California sourcing purposes. **Do not** include rental activity income or portfolio income on these lines. Rental activity income and portfolio income are separately reported on Schedule K (565) and Schedule K-1 (565). Rental real estate activities are also reported on federal Form 8825, Rental Real Estate Income and Expenses. If the partnership is an S Corporation, attach a copy of federal Form 8825 to Form 565. Use California amounts and attach a statement reconciling any differences between federal and California amounts.

Use worldwide amounts determined under California law when completing these lines.

Form 565, line 4 through line 11 have been separated to report total gains and total losses. Net amounts are no longer reported.

Line 6 – Total Farm Profit

Line 7 – Total Farm Loss

Enter on line 6 the partnership's total farm profit from federal Schedule F (Form 1040), Profit or Loss from Farming, Line 36, Net farm profit or (loss). Enter on line 7 the partnership's total farm loss from federal Schedule F (Form 1040), Line 36. Attach federal Schedule F to Form 565. If the amount includable for California purposes is different from the amount on federal Schedule F, enter the California amount and attach a note explaining the difference.

Line 8 – Total Gain from Schedule D-1

Line 9 – Total Loss from Schedule D-1

Include only ordinary gains (losses) from the sale, exchange, or involuntary conversion of assets used in a trade or business activity. Ordinary gains (losses) from the sale, exchange, or involuntary conversion of rental activity assets must be reported separately on Schedule K (565) and Schedule K-1 (565).

A partnership that is a partner in another partnership must include on Schedule D-1, Sales of Business Property, its share of ordinary gains (losses) from sales, exchanges, or involuntary conversions (other than casualties or thefts) of the other partnership's trade or business assets.

Deductions

Line 13 through Line 22

California's reporting requirements are generally the same as the federal reporting requirements. Follow the instructions for federal Form 1065 and only include trade or business activity deductions on line 13 through line 21. Include amounts for repairs, rents, and taxes on line 21. **Do not** include any rental activity expenses or deductions that are allocable to portfolio income on these lines. Rental activity deductions and deductions allocable to portfolio income are separately reported on Schedule K (565) and Schedule K-1 (565).

Use worldwide amounts determined under California law when completing these lines.

Federal reporting requirements for organization expenses, syndication expenses, and uniform capitalization rules apply for California.

Claim of Right. To claim as a deduction, enter the amount on Line 21. If you elect to take the credit instead of the deduction, remember to use the California tax rate, add the credit amount to the total on line 27, Total payments. To the left of this total, enter line 13 and the amount of the credit.

Line 17a – Depreciation and Amortization

Enter on line 17a the total depreciation and amortization claimed on assets used in a trade or business activity. Complete and attach form FTB 3885P, Depreciation and Amortization, included in this booklet, to figure depreciation and amortization. Transfer the total from form FTB 3885P, line 6, to Form 565, Side 1, line 17a, or federal Form 8825, line 14, or as appropriate (use California amounts). See the instructions for form FTB 3885P for more information.

Do not include an expense deduction for recovery property (IRC Section 179; Enterprise Zones, R&TC Section 17267.2; Targeted Tax Area, R&TC Section 17267.6; and Local Agency Military Base Recovery Area, R&TC Section 17268) on this line. This expense is not deducted by the partnership. Instead, it is passed through separately to the partners and is reported on line 12 of Schedule K (565) and Schedule K-1 (565).

Line 23 – Tax

Enter the \$800 annual tax required for LPs, LLPs, and REMICs. See General Information, Annual Tax, for further details on the annual tax requirements.

Line 25 – Nonresident Withholding Credit

If taxes were withheld from payment to the partnership, the partnership can either allocate the entire withholding credit to all its partners or claim a portion (not to exceed the total tax due) and allocate the remaining portion to all its partners. If the partnership claims any of the amount withheld, attach Form 592-B from the withholding entity to the front lower portion of the partnership return. The partnership must file Forms 592 and 592-B to allocate any remaining withholding credit to its partners. For more information, get FTB Pub. 1017, Nonresident Withholding Guidelines.

The above explanation does not apply to the nonconsenting nonresident member's tax paid by an LLC on behalf of the nonresident member. The nonconsenting nonresident members' tax is not related to the partnership withholding on nonresident partners. Therefore, the tax cannot be claimed using Forms 592 and 592-B; and cannot be claimed by the partnership on this line. The partnership will allocate the entire amount paid by the LLC on its behalf to all of its partners on Schedule K (565) and Schedule K-1 (565), line 15e.

Line 29 – Use Tax

As explained on page 9, California use tax applies to purchases from out of state sellers (for example, purchases made by telephone, over the Internet, by mail, or in person). For questions on whether a purchase is taxable, go to State Board of Equalization's website at boe.ca.gov, or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

A partnership may report use tax on its Partnership Return of Income instead of filing a use tax return with the California State Board of Equalization. To report use tax on the partnership tax return, complete the Use Tax Worksheet below.

If the partnership owes use tax but does not report it on its Partnership Return of Income, the partnership must report and pay the tax to the California State Board of Equalization. To do so, download a copy of Publication 79-B, California Use Tax, from boe.ca.gov or request a copy by calling their Information Center.

To avoid late payment penalties for use tax, the partnership must report and pay the use tax with a timely filed income tax return. Failure to timely report and pay the use tax due may result in the assessment of penalties.

Note: Businesses that have a California seller's permit must continue to report business purchases subject to use tax on their sales and use tax returns.

Use Tax Worksheet	
Round all amounts to the nearest whole dollar.	
1. Enter purchases from out-of-state or Internet sellers made without payment of California sales/use tax. See worksheet instructions below	\$.00
2. Enter the decimal equivalent of the applicable sales and use tax rate. See worksheet instructions below	
3. Multiply line 1 by the tax rate on line 2. Enter result here	.00
4. Enter any sales or use tax paid to another state for purchases included on line 1. See worksheet instructions below	.00
5. Total Use Tax Due. Subtract line 4 from line 3. Enter the amount here and on line 29. If the amount is less than zero, enter -0-	.00

Worksheet, Line 1, Purchases Subject to Use Tax

- Report items that would have been taxable in a California store, such as office equipment and supplies.
- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return the partnership is filing.

Note: Report and pay any use tax you owe on the following purchases to the State Board of Equalization, not on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.

Worksheet, Line 2, Sales and Use Tax Rate

- Enter the decimal equivalent of the sales and use tax rate applicable to the place in California where the property is used, stored, or otherwise consumed. For example, the decimal equivalent of 7.25% is 0.0725, and the decimal equivalent of 7.375% is 0.07375.
- If the partnership does not know the applicable rate, see the table on this page and on the following page. "Sales and Use Tax Rates by County." If the partnership has questions regarding the use tax rate in effect in the partnership's area, go to the State Board of Equalization's website at boe.ca.gov or call their Information Center at (800) 400-7115 or TTY/TDD (800) 735-2929.

Worksheet, Line 4, Credit for Tax Paid to Another State

- This is a credit for tax paid to other states. The partnership cannot claim a credit greater than the amount of tax that would have been due if the purchase had been made in California. For example, if the partnership paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, the partnership can claim a credit of only \$6.00 for that purchase.

- Many cities in California impose a district tax which results in a higher sales and use tax rate than in other parts of the county. If you are reporting an item that was purchased for use in one of these counties, please check the following city list to see if a higher rate applies to that city. The tax rates shown apply within the city limits of the listed community.

- The tax rate in Madera County prior to April 1, 2007 was 7.25%.
- The tax rate in Tulare County prior to April 1, 2007 was 7.25%.

Schedule A — Cost of Goods Sold

California's reporting requirements are generally the same as the federal reporting requirements. Follow the instructions for federal Form 1065, Schedule A.

Questions

Question J

Check only one box for this question. The partnership check the box that best describes its business type. For definitions of general partnership, limited partnership, REMIC, and LLP, see General Information, Definitions, and the instructions for federal Form 1065.

The term "doing business" means actively engaging in any transaction for the purpose of financial gain or profit (R&TC Section 23101).

Line Item 6 of Question J is for other types of entities not previously mentioned on line 1 through line 5. If your entity is not a general partnership, limited partnership, REMIC, or LLP, then check the box for line item 6 only. In the space provided, write in the type of entity.

Question K

Enter the maximum number of partners in the partnership during the taxable year. The number of Schedules K-1 (565) sent via magnetic media or attached to Form 565, must equal the number of partners

entered in Question K. **Do not** use abbreviations or terms such as "Various."

Question O

If the answers to Question 5a through Question 5c on federal Form 1065, Schedule B are all "Yes," answer "Yes" to Question O on Form 565.

If Question O is answered "Yes," the partnership is not required to complete Schedules L, M-1, M-2, or Item F, on Side 1 of Form 565 or Item J on Schedule K-1 (565).

Question T

All partnerships **must** answer all three questions. If you do not own or lease (as specified below) real property in California, answer "No" to the questions. (Real property includes land, buildings, structures, and fixtures — see R&TC Section 104).

The questions provide information regarding changes in ownership with regard to real property held by legal entities (R&TC Section 64). If any of the answers are "Yes," a Statement of Change in Control and Ownership of Legal Entities (BOE-100-B) must be filed with the California State Board of Equalization (BOE); failure to do so may result in substantial penalties. Forms and information may be obtained from the BOE website at boe.ca.gov and be accessed through **Property Tax**, and then **Legal Entity Ownership Program**.

Did the partnership experience a change in ownership or control if, during this year, one of the following occurred with respect to this partnership (or any legal entity in which it holds a controlling or majority interest):

• The percentage of partnership interests transferred to, or owned or controlled by **one** person or **one** legal entity cumulatively exceeded 50%.

• The total partnership interests transferred to or held by **one** irrevocable trust or trust beneficiary cumulatively exceeded 50%.

• This partnership, or any legal entity in which it holds a controlling or majority interest, cumulatively acquired ownership or control of more than 50% of the partnership or other ownership interests in any legal entity.

• As of the end of this year, cumulatively more than 50% of the total partnership interests have been transferred or the partnership experienced a change in ownership or control in one or more transactions since January 1, 1975.

For purposes of these questions, leased real property is a leasehold interest in taxable real property: (1) leased for a term of 35 years or more (including renewal options), if not leased from a government agency, or (2) leased for any term, if leased from a government agency.

R&TC Section 64(e) requires this information for use by the California State Board of Equalization.

Question U

California requires taxes to be withheld from certain payments or allocations of income and sent to the FTB (R&TC Section 18662 and Section 18666). If upon examination, the FTB determines that tax withholding was required, the partnership can be liable for the tax and penalties.

The reference to Forms 592, 592-A, 592-B, and 592-F relates to withholding done by the partnership. If you need additional information concerning partnership withholding, see General Information, Required Information Returns, and Withholding Requirements.

Question V — Investment Partnership.

An "investment partnership" is a partnership that meets the following two criteria:

1. No less than 90% of the cost of the partnership's total assets consist of:
 - Qualifying investment securities
 - Deposits at banks or other financial institutions
 - Office equipment and office space reasonably necessary to carry on the activities of an investment partnership
2. No less than 90% of the partnership's gross income is from interest, dividends, and gains from the sale or exchange of qualifying investment securities defined in R&TC Section 17955 and Section 23040.1.

Qualifying investment securities include all of the following:

- Common and preferred stock, as well as debt securities convertible into common stock.
- Bonds, debentures, and other debt securities.
- Foreign and domestic currency deposits or equivalent and securities convertible into foreign securities.
- Mortgage-backed or asset-backed securities secured by governmental agencies.
- Repurchase agreements and loan participations.
- Foreign currency exchange contracts and forward and futures contracts on foreign currencies.
- Stock and bond index securities and futures contracts, and other similar securities.
- Regulated futures contracts.
- Options to purchase or sell any of the preceding qualified investment securities, except regulated futures contracts.

Qualifying investment securities do not include an interest in a partnership, unless the partnership qualifies as an investment partnership. See R&TC Section 17955 and Section 23040.1 and General Information, Investment Partnerships, for more information.

Question X

Federal Form 8886, Reportable Transaction Disclosure Statement, is required to be attached to any return on which a deduction, loss, credit, or any other tax benefit is claimed or is reported, or any income the partnership's reported from an interest in a reportable tax shelter. If the partnership is required to file this form with the federal return, attach a copy to the partnership's Form 565. Do not attach copies of federal Schedules K-1 (1065).

A material advisor is required to provide a reportable transaction number to all taxpayers and material advisors for whom the material advisor acts as a material advisor.

A Reportable Transaction is any transaction as defined in R&TC Section 18407 and Treas. Reg. 1.6011-4 and includes, but is not limited to:

- A Confidential Transaction, which is offered to a taxpayer under conditions of confidentiality and for which the taxpayer has paid a minimum fee.
- A transaction with contractual protections that provides the taxpayer with the right to a full or partial refund of fees if all or part of the intended tax consequences from the transaction are not sustained.
- A loss transaction under Section 17955, which is at least \$10 million in any one-year or \$20 million in any combination of taxable years for a partnership that has any corporations as partners, (looking through partners that are themselves partnerships); or, \$2 million in any one-year or \$4 million in any combination of taxable years for all other partnerships. (Those numbers would be reduced to \$2 million and \$4 million on the Form 100S, California S Corporation Franchise or Income Tax Return).
- A transaction of interest, which is a transaction that is the same as or substantially similar to one of the types of transactions that have been identified by the Internal Revenue Service as a transaction of interest (entered into on or after November 2, 2006).
- A Listed Transaction is a specific reportable transaction, or one that is substantially similar, which has been identified by the Internal Revenue Service or the Franchise Tax Board to be a tax avoidance transaction.

Schedule L — Balance Sheets

California's reporting requirements are the same as the federal reporting requirements. The amounts reported on the balance sheet should agree with the books and records of the partnership and should include all amounts whether or not subject to taxation. Attach a statement explaining any differences between federal and state amounts or any differences between the balance sheet and the partnership's books and records. Follow the instructions for federal Form 1065, Schedule L.

Domestic partnerships with 10 or fewer partners may not have to complete Schedule L. See the instructions for Question O for the specific requirements to qualify for this exception.

Schedule M-1, Reconciliation of Income (Loss) per Books With Income (Loss) per Return, Schedule M-2, Analysis of Partner's Capital Accounts

Domestic partnerships with 10 or fewer partners may not have to complete Schedule M-1, Schedule M-2, or Item J on Schedule K-1 (565). See the instructions for Question O for the specific requirements to qualify for this exception.

If the partnership is required to complete Schedule M-1 and Schedule M-2, the amounts shown should agree with the partnership's books and records and the balance sheet amounts. Attach a statement explaining any differences.

Use worldwide amounts determined under California law when completing Schedule M-1. Also, the amounts on Schedule M-2 should equal the total of the amounts reported in Item J, column (c), of all the partners' Schedules K-1 (565).

Net Income (Loss) Reconciliation for Certain Partnerships. For taxable years beginning on or after January 1, 2006, the IRS requires certain partnerships to complete Schedule M-3 (Form 1065), Net Income (Loss) Reconciliation for Certain Partnerships, instead of Schedule M-1, Reconciliation of Income (Loss) per Books With Income (Loss) per Return. For California purposes, the corporation must complete the California Schedule M-1, and attach either of the following:

- A complete copy of the Schedule M-3 (Form 1065) and related attachments to the California Franchise or Income Tax Return.

- A complete copy of the federal return.

FTB will accept the Schedule M-3 (Form 1065) in a spreadsheet format if more convenient.

Schedule K (565) and Schedule K-1 (565) — Partner's Shares of Income, Deductions, Credits, Etc.

Purpose of Schedules

Schedule K (565) is a summary schedule for the partnership's income, deductions, credits, etc. and Schedule K-1 (565) shows each partner's distributive share. The items for both of these schedules are the same unless otherwise noted.

One copy of each Schedule K-1 (565) must be attached to Form 565 when this form is filed with the FTB. For alternative methods of filing Schedule K-1 (565), see General Information, Substitute Schedules.

Ensure to give each partner a copy of their respective Schedule K-1 (565). Also include a copy of the Partner's Instructions for Schedule K-1 (565) or specific instructions for each item reported on the partner's Schedule K-1 (565). These items should be provided to the partner on or before the due date of the Form 565.

Schedule K (565) Only

In column (b), enter the amounts from federal Schedule K. In column (c), enter the adjustments resulting from differences between California and federal law (not adjustments relating to California source income). In column (d) on Schedule K (565), enter the worldwide income computed under California law. For partners to comply with the requirements of IRC Section 469, trade or business activity income (loss), rental activity income (loss), and portfolio income (loss) must be considered separately by the partners. Rental activity income (loss) and portfolio income (loss) are not reported on Form 565, Side 1 so that these amounts are not combined with trade or business activity income (loss). Schedule K (565) is used to report the totals of these (and other) amounts.

Apportioning partnerships only

Once the Schedule K (565) has been completed, apportioning partnerships should also complete Schedule R before completing its partners' Schedules K-1 (565).

Compliance with Partnership Filing Requirements

To help ensure the accurate and timely processing of the partnership's Form 565, please verify the following:

- A California approved Schedule K-1 (565) has been sent via magnetic media or attached (to Form 565) for each partner identified on Form 565, Side 2, Question K. Partnerships eligible for the reduced filing program, see General Information, Who Must File.
- The Schedule K-1 (565) contains the partner's correct name, address, and identifying number in the correct fields.
- Questions A through I are completed on Side 1 of Schedule K-1 (565).
- The appropriate entity type box (Schedule K-1 (565), Side 1, Question B) is checked for each partner.
- All Schedules K-1 (565) reconcile to Form 565, Schedule K (565).
- The partner's percentage (Schedule K-1 (565) Question D) is expressed in decimal format and carried to four decimal places (i.e., 33.5432). Do not print fractions, the percentage symbol (%), or use terms such as "Various."
- Substitute computer-generated Schedule K-1 (565) forms **must** be approved by the FTB.

For the highest rate of accuracy and rapid processing, file Schedules K-1 (565) on CD or diskette. See General Information, Substitute Schedules, for more details.

Schedule K-1 (565) Only

The partnership completes the entire Schedule K-1 (565) filling out the partner's and partnership's information (name, address, identifying numbers), Questions A through J, and the partner's distributive share of items.

For partners with PMB addresses, include the designation number in the partner's address area. Precede the number (or letter) with "PMB."

For each individual partner, enter the partner's social security number. For all other partners enter the FEIN. However, if a partner is an individual retirement account (IRA), enter the identifying number of the custodian of the IRA. **Do not** enter the social security number of the person for whom the IRA is maintained.

The partnership files one California Schedule K-1 (565) for each partner either by CD or diskette or by attaching a copy to the partnership return. **Do not** attach federal Schedules K-1 (565). These forms are not California approved forms.

Determining the Source of Partnership Income for a Resident Partner

A resident partner should report the entire distributive share of partnership income in their individual income. If the partnership is apportioning, the partner may be entitled to a credit for taxes paid to other states. The partner should be referred to Form 540, Schedule S, Other State Tax Credit, for more information.

Determining the Source of the Partnership's Income for a Nonresident Partner

Business income: Regardless of the classification of income for federal purposes, income from California sources is determined in accordance with California law, (Cal. Code Regs., tit. 18 section 17951-4). California source business income of a trade or business is determined by apportionment, if the partnership conducts any of the following:

- A trade or business wholly within California, the income from that trade or business is California source income.
- A business within and outside California, but the part within California is so separate and distinct that it can be separately accounted for, then only that separate income within California is California source income.
- A single trade or business within and outside California.

The partnership should apportion business income using the Uniform Division of Income for Tax Purposes Act (R&TC Section 25120 through Section 25139). Special rules apply if the partnership has income that is not attributable to the trade or business of the partnership (nonbusiness income).

Nonbusiness income: Nonbusiness income attributable to real or tangible personal property (such as rents, royalties, gains, or losses) located in California is California source income (Cal. Code Regs., tit. 18 section 17951-3 and R&TC Section 25124 and Section 25125).

Enter this information on the appropriate line of Schedule K-1 (565). If the partnership believes it may have a unitary partner, the information should also be entered on Side 3, Table 2, Part B, for that partner.

The source of nonbusiness income attributable to intangible property depends upon the partner's state of residence or commercial domicile. Individuals generally source this income to their state of residence and corporations to their commercial domicile.

Because the determination of the source of intangible nonbusiness income must be made at the partner level, this income is not entered on Schedule K-1 (565), column (e). It is entered only on Side 3, Table 1.

Completing Schedule K-1 (565)

Questions A through I

See the Instructions for federal Form 1065, Specific Instructions, Schedule K-1 Only, Part II, Information About the Partner, for more information on completing question A through Question I.

Questions A and B, Schedule K-1 (565)

Check the appropriate box to indicate a general or limited partner and the partner's entity type. An exempt organization should check box 10 regardless of its legal form.

Question C, Schedule K-1 (565)

Check the appropriate box to indicate if this is a foreign partner.

Questions D and E, Schedule K-1 (565)

Percentages must be four to seven characters in length and have a decimal point before the four final characters. For example, 50% is represented as 50.0000, 5% as 5.0000, 100% as 100.0000. Do not enter fractions, the percentage symbol (%), or use terms such as "Various."

For more information on completing Questions D and E, see the instructions for federal Form 1065, Specific Instructions, Schedule K-1 Only, Part II, Information About the Partner.

Question F, Schedule K-1 (565)

Enter the reportable transaction number, if applicable. See instructions for Form 565 Question X for more information.

Question G, Schedule K-1 (565)

Check the box if this is a publicly traded partnership and/or an investment partnership.

Question H, Schedule K-1 (565)

Check the box if this is a final Schedule K-1 (565) and/or an Amended Schedule K-1 (565).

Question I, Schedule K-1 (565)

Check the appropriate box to indicate if this partner is a nonresident of California.

- In **column (b)**, enter the amounts from federal Schedule K-1 (1065).
- In **column (c)**, enter the adjustments resulting from differences between California and federal law for each specific line item.
- In **column (d)**, enter the result of combining column (b) and column (c). This is total income under California law.

Column (e) is used to report California source amounts and credits. Include the following items in this column:

1. Income from separate businesses, trades, or professions conducted wholly within California, Cal. Code Regs., tit. 18 section 17951-4(a).
2. Income from a trade or business conducted within and outside California, when the part of business conducted within California can be separately accounted for, Cal. Code Regs., tit. 18 section 17951-4(b).
3. Income from a trade or business conducted within and outside California that is apportioned to California. This includes intangible income attributable to the business, trade, or profession, Cal. Code Regs., tit. 18 section 17951-4(c) and R&TC Sections 25128 through 25137. Generally, the partnership should apportion business income using a four-factor formula consisting of property, payroll, and a double-weighted sales factor. Use a three-factor formula consisting of payroll, property, and a single-weighted sales factor if more than 50% of the business receipts of the partnership are from agricultural, extractive, savings and loans, banks, and financial activities. Apportioning partnerships should complete Schedule R and attach it to Form 565.
4. Nonbusiness income from real and tangible property located in California. Enter the partner's share of nonbusiness income from

real and tangible property located in California in column (e). If the partnership believes it may have a unitary partner, enter this income in Table 2, Part B.

5. California credits.

Nonbusiness income from intangible property should not be entered in column (e). Enter this income in Table 1. For more information, see Partner's Instructions for Schedule K-1 (565).

Completing Column (d) and Column (e)

Schedule K-1 (565), column (d), includes the partner's distributive share of total partnership income, deductions, gains, or losses under California law. Column (e) includes only income, deductions, gains, or losses that are apportioned or sourced to California. The computation of these amounts is a matter of law and regulation. The residency of the partner is not a factor in the computation of amounts to be included in column (d) and column (e).

For a partnership that is doing business wholly within California, column (e) will generally be the same as column (d), except for nonbusiness intangible income (for example, nonbusiness interest, dividends, gains, or losses from sales of securities).

For a partnership that is doing business within and outside California, the amounts in column (d) and column (e) may be different.

If the partnership knows the partner is a resident individual, then the partnership answers "No" to Question I on Schedule K-1 (565), and completes column (d) only. Otherwise, the partnership should complete column (e) for all other partners.

Completing Table 1

Complete Table 1 only if the partnership has nonbusiness intangible income. If the partnership has nonbusiness intangible income, but knows that the partner is a resident individual, then the partnership does not need to complete Table 1 for the partner.

Completing Table 2

The partnership does not need to complete Table 2 for a partner if the partnership knows that the partner is not unitary with the trade or business or any other trade or business.

Special Rules for Partners and Partnerships in a Single Unitary Business

Special rules apply if the partnership and a partner are engaged in a single unitary business. In that case, a unitary partner will not use the income information shown in column (d). Instead, the partner's distributive share of business income is combined with the partner's own business income. The combined business income is apportioned using an apportionment formula that consists of an aggregate of the partner's share of the partnership's net factors from the partnership and the partner's apportionment factors, Cal. Code Regs., tit. 18, section 25127-1(f). The determination of whether a three-factor or four-factor apportionment formula applies to the combined income will be made at the partner level. The partner's distributive share of business income and property, payroll, and sales factors are entered in Table 2.

If the partnership knows that all of the partners are unitary with the partnership, the partnership need not complete column (e) for any partner. Schedules K-1 (565) or attach a Schedule R. For further information, see Partner's Instructions for Schedule K-1 (565).

Special Reporting Requirements for Passive Activities

If items of income (loss), deduction, or credit from more than one activity are reported on Schedule K-1 (565), the partnership must attach a statement to Schedule K-1 (565) for each activity that is a passive activity to the partner. Rental activities are passive activities to all partners; trade or business activities are passive activities to limited partners and to general partners who do not materially participate in the activity. The statement must include all the information explained in the instructions for federal Schedule K-1 (1065).

Specific Line Instructions

The California Schedule K (565) generally follows the federal Schedule K (1065). Where California and federal laws are the same, the instructions for California Schedule K (565) refer to the instructions for federal Schedule K (1065).

When completing the California Schedule K and Schedule K-1 (565), refer to the Federal/State Line References chart that shows the specific line references between the federal Schedule K and Schedule K-1 (1065), and the California Schedule K and Schedule K-1 (565).

Income

Line 1 through Line 11c

See the instructions for federal Form 1065, Specific Instructions Schedules K and K-1 and Schedule K-1 (565) Income (Loss), line 1 through line 11.

Schedule K (565) must include all income and losses from the partnership activities as determined under California laws and regulations. Any differences reported between the federal and California amounts should be related to differences in the tax laws. Do not apply the apportionment formula to the income or losses on Schedule K (565).

Line 10 – Enter on line 10, the amount shown on Schedule D-1, Sales of Business Property, line 7. **Do not** include specially allocated ordinary gains and losses or net gains or losses from involuntary conversions due to casualties or thefts. Instead, report them on line 11b or line 11c.

If the partnership has more than one activity and the amount on line 10 is a passive activity amount to the partner, attach a statement to Schedule K-1 (565) that identifies to which activity the IRC Section 1231 gain (loss) relates.

Deductions

Line 1 through Line 13

See the instructions for federal Form 1065, Specific Instructions Schedules K and K-1 and Schedule K-1 (565), Deductions, line 12, and line 13a through line 13d.

Effective for taxable years beginning on or after January 1, 2003, California will follow the revised federal instructions for reporting the sale, exchange or disposition of property for which an IRC Section 179 expense deduction was claimed in prior years by a partnership. If you elect the Section 17267.2 business-type expense deduction, you may not claim a Section 179 depreciation deduction on this asset.

California has not conformed to the federal Job Creation and Worker Assistance Act of 2002 that all taxpayers to take an additional first-year depreciation deduction and Alternative Minimum Tax depreciation adjustment for property placed in service after September 10, 2001.

Line 13a – Charitable Contributions

Enter the total amount of charitable contributions made by the partnership during its taxable year on Schedule K (565) and each partner's distributive share on Schedule K-1 (565). Attach an itemized list to both schedules showing the amount subject to the 50%, 30%, and 20% limitations.

Partners are allowed a deduction for contributions to qualified organizations provided in IRC Section 170. For taxable years beginning on or after January 1, 2002, California law conforms to the federal law, relating to the denial of the deduction for lobbying activities, inclusions, and employee remuneration in excess of one million dollars.

California conforms to IRC Section 170(f)(8) substantiation requirement for charitable contributions.

Line 13b – Interest Expense on Investment Debts: This line must be completed whether or not a partner is subject to the investment interest rules. Enter the interest paid or accrued to purchase or carry property held for investment. Property held for investment includes property that produces portfolio income (interest, dividends, annuities, royalties, etc.). Therefore, interest expense allocable to portfolio income should be reported on line 13b of Schedule K (565) and Schedule K-1 (565), rather than line 13d of Schedule K (565) and Schedule K-1 (565).

Property held for investment includes a partner's interest in a trade or business activity that is not a passive activity to the partnership and in which the partner does not materially participate. An example would be a partner's working interest in an oil and gas property (i.e., the partner's interest is not limited) if the partner does not materially participate in the oil and gas activity. Investment interest does not include interest expense allocable to a passive activity. For more information, get form FTB 3526, Investment Interest Expense Deduction.

Line 14

The information reported on line 14 of the federal Schedule K (1065), and federal Schedule K-1 (1065), does not apply to California and therefore there is no line 14.

Credits

Line 15a – Total Withholding, Schedule K-1 (565) only

If taxes were withheld by the partnership or if there is a pass-through withholding credit from another entity, the partnership must provide each affected partner (including California residents) a completed Form 592-B. Partners must attach Form 592-B to the front of their California return to claim withheld amounts. Schedule K-1 (565) may **not** be used to claim this withholding credit.

Line 15b through Line 15d

These lines relate to rental activities. Use line 15f to report credits related to trade or business activities.

California line numbers are different from federal line numbers in this section.

Line 15b – Low-Income Housing Credit

A credit may be claimed by owners of residential rental projects providing low-income housing (IRC Section 42). Generally, the credit is effective for buildings placed in service after 1986. Get form FTB 3521, Low-Income Housing Credit, for more information.

Line 15c – Credits Related to Rental Real Estate Activities Other Than Line 15b

Report any information that the partners need to figure credits related to a rental real estate activity, other than the low-income housing credit. Attach to each partner's Schedule K-1 (565) a statement showing the amount to be reported and the applicable form on which the amount should be reported.

Line 15d – Credits Related to Other Rental Activities

Use this line to report information that the partners need to figure credits related to a rental activity. Attach to each partner's Schedule K-1 (565) a statement showing the amount to be reported and the applicable form on which the amount should be reported.

Line 15e – Nonconsenting Nonresident Member Tax Allocated to All Partners

If income tax was paid by an LLC on behalf of a member in the partnership because the general partner in the partnership did not sign form FTB 3832, the amount paid is entered on the member's Schedule K-1 (568), line 15e. This credit is allocated to all partners according to their partnership interest. Partners must attach a copy of the Schedule K-1 (568), previously issued to their partnership by the LLC as well as the Schedule K-1 (568) issued by their partnership, to their California tax return. Also attach a copy of the tax paid by the LLC on their partnership's behalf.

Line 15f – Other Credits

Attach a statement showing each partner's allocable share of any credit or credit information that is related to a trade or business activity.

Credits that can be reported on line 15f include:

Line 15f may also include the distributive share of net income taxes paid to other states by the partnership. Subject to limitations of R&TC Section 18001 and R&TC Section 18006, partners may claim a credit against their individual income tax for net income taxes paid by the partnership to another state. The amount of tax paid must be supported by a schedule of payments and evidence of tax liability by the partnership to the other states. Refer partners to Form 540, Schedule S for more information.

All of the above credit forms and many other forms are available on our website at ftb.ca.gov.

Line 16

The information reported on line 16 of the federal Schedule K (1065) and federal Schedule K-1 (1065), Foreign Transactions, does not apply to California and therefore there is no line 16.

Alternative Minimum Tax (AMT) Items

Line 17a through Line 17f

Enter each partner's distributive share of income and deductions that are adjustments and tax preference items. Get Schedule P (540), Alternative Minimum Tax and Credit Limitations — Residents, Schedule P (540NR), Alternative Minimum Tax and Credit Limitations — Nonresidents or Part-Year Residents, Schedule P (541), Alternative Minimum Tax and Credit Limitations — Fiduciaries, Schedule P (100), Alternative Minimum Tax and Credit Limitations — Corporations, or Schedule P (100W), Alternative Minimum Tax Credit Limitations — Water's-Edge filers, to determine amounts and for other information.

California law conforms to the existing federal law eliminating the deduction for contributions of appreciated property as an item of tax preference. As a result, taxpayers no longer need to include in their computation of Alternative Minimum Taxable Income the amount by which any allowable deduction for contributions of appreciated property exceeds the taxpayer's adjusted basis in the contributed property.

For additional information, see instructions for federal Schedule K (1065), Alternative Minimum Tax (AMT) Items, line 17a through line 17f. For differences between federal and California law for alternative minimum tax (AMT), see R&TC Section 17062.

Tax-Exempt Income and Nondeductible Expenses

Line 18a through Line 18c – Tax-exempt income and Nondeductible Expenses

Enter on Schedule K (565) the amounts of tax-exempt interest income, other tax-exempt income, and nondeductible expenses from federal Schedule K-1 (1065) lines 18a, 18b, and 18c. Enter on Schedule K-1 (565) the amounts of tax-exempt income, other tax-exempt income, and nondeductible expenses, from federal Schedule K-1 (1065) box 18. The partnership should give each partner a description and the amount of the partner's share for each item applicable to California in this category.

Distributions

Line 19a through Line 19b – Distributions

Enter on Schedule K (565) the amounts of cash and marketable securities, and other property from federal Schedule K (1065), line 19a and 19b. Enter on Schedule K-1 (565) the amounts of cash and marketable securities, and other property from federal Schedule K-1 (1065), box 19.

Other Information

Line 20a and Line 20b – Investment Income and Investment Expenses

These lines must be completed whether or not a partner is subject to the investment interest rules.

Enter on line 20a only the investment income included on line 5, line 6, line 7, and line 11a of Schedule K (565) and Schedule K-1 (565).

Enter on line 20b only investment expenses included on line 13d of Schedule K (565) and Schedule K-1 (565).

If items of investment income or expenses are included in the amounts that are required to be passed through separately to the partner on Schedule K-1 (565), items other than the amounts included on line 5 through line 9, line 11a, and line 13d of Schedule K-1 (565), give each partner a statement identifying these amounts.

Investment income includes gross income from property held for investment, gain attributable to the disposition of property held for investment, and other amounts that are gross portfolio income. Investment income and investment expenses generally do not include any income or expenses from a passive activity.

Property subject to a net lease is not treated as investment property because it is subject to the passive loss rules. **Do not** reduce investment income by losses from passive activities.

Investment expenses are deductible expenses (other than interest) directly connected with the production of investment income. Get the instructions for form FTB 3526 for more information.

Line 20c – Other information

See the instructions for the federal Schedule K (1065), line 20c, Other Items and Amounts. For credit recaptures attach a schedule including credit recapture names and amounts.

Supplemental Information

The partnership may need to report supplemental information that is not specifically requested on the Schedule K-1 (565) separately to each partner. If the partnership has supplemental information not included in lines 1-20b, write, "See attached" on line 20c, column b and column d and provide a schedule with the details.

Partners may need to obtain the amount of their proportionate interest of aggregate gross receipts, less returns and allowances, from the partnership.

Alternative minimum taxable income does not include income, positive and negative adjustments, and preference items attributed to any trade or business of a qualified taxpayer who has aggregate gross receipts, less returns and allowances, during the taxable year of less than \$1,000,000 from all trades or businesses in which the taxpayer is owner or has an ownership interest. The partnership should provide the partner's proportionate interest of aggregate gross receipts on Schedule K-1 (565), line 20c.

For purposes of R&TC Section 17062(b)(4), "aggregate gross receipts, less returns and allowances" means the sum of all of the following:

- The gross receipts of the trades or businesses which the taxpayer owns.
- The proportionate interest of the gross receipts of the trades or businesses which the taxpayer owns.
- The proportionate interest of the pass-through entity's gross receipts in which the taxpayer has an interest.

"Aggregate gross receipts" means the sum of gross receipts from the production of business income as defined in the meaning of subdivisions (a) and (c) of R&TC Section 25120, and the gross receipts from the production of nonbusiness income as defined in subdivision (d) of R&TC Section 25120.

For purposes of this section, "pass-through entity" means a partnership (as defined by R&TC Section 17008), an S corporation, a regulated investment company (RIC), a real estate investment trust (REIT), and a REMIC.

See R&TC Section 17062 for more information.

Also show on line 20c a statement showing each of the following:

1. Each partner's distributive share of business income apportioned to an EZ, LAMBRA, MEA, or TTA.
2. Each partner's distributive share of business capital gain or loss included in 1 above.

Analysis – Schedule K (565) only

Line 21a through Line 21b(2)

For the instructions for line 21a through line 21b(2) of Schedule K (565), see the instructions for federal Schedule K (1065), Analysis of Net Income (Loss).

Other Partner Information – Schedule K-1 (565) only

Table 1

Enter the partner's share of nonbusiness income from intangibles. Because the source of this income must be determined at the partner level, do not enter income in this category in column (e). If the income

(loss) for an income item is a mixture of income (loss) in different subclasses (for example, short-term and long-term capital gain), attach a supplemental schedule providing a breakdown of income in each subclass.

Enter nonbusiness income from intangibles in Table 1 net of related expenses.

Table 2

The final determination of unity is made at the partner level. If the partnership and the partner are unitary, or if the partnership is uncertain as to whether it is unitary with the partner, it should furnish the information in Table 2.

Part A. Enter the partner's distributive share of the partnership's business income. The partner will then add that income to its own business income and apportion the combined business income.

Cal Code Regs., tit. 18 Section 25120 defines "business income" as income arising from transactions and activity in the regular course of the taxpayer's trade or business and includes income from tangible and intangible property if the acquisition, management, and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations. In essence, all income which arises from the conduct of trade or business operations of a taxpayer is business income.

Part B. Enter the partner's share of nonbusiness income from real and tangible property that is located in California. This income has a California source, and should also be included on the appropriate line in column (e).

Nonbusiness income is all income other than business income.

Part C. Enter the partner's distributive share of the partnership's property, payroll, and sales factors.

SCHEDULE K FEDERAL/STATE LINE REFERENCES

California Schedule K (565) has been modified to better assist taxpayers to transfer amounts from their federal Schedule K (1065) to their California Schedule K. The modifications consist of reordering the line items to be in a similar format to the federal Schedule K. The new reference chart shown below will assist the taxpayer in transferring the amounts from one schedule to the other. The chart cross-references the lines on the federal Schedule K (1065) to the appropriate line items on the California Schedule K (565). Form 565

Codes for Principal Business Activity

This list of principal business activities and their associated codes is designed to classify a business by the type of activity in which it is engaged to facilitate the administration of the California Revenue and Taxation Code. For taxable years beginning on or after January 1, 1998, these principal business activity codes are based on the North American Industry Classification System.

Using the list of activities and codes below, determine from which activity the partnership derives the largest percentage of its "total receipts." Total receipts is defined as the sum of gross receipts or sales plus all other income. If the partnership purchases raw materials and supplies them to a subcontractor to produce the finished product, but retains title to the product, the partnership is considered a manufacturer and must use one of the manufacturing codes (311110-339900).

Once the principal business activity is determined, entries must be made on Form 565, Question C. For the business activity code number, enter the six-digit code selected from the list below. On the next line enter a brief description of the partnership's business activity. Finally, enter a description of the principal product or service of the partnership on the next line.

Your Rights As A Taxpayer

FTB's goals include making certain that your rights are protected so that you have the highest confidence in the integrity, efficiency, and fairness of our state tax system. FTB Pub. 4058, California Taxpayers' Bill of Rights, includes information on your rights as a California taxpayer, the Taxpayers' Rights Advocate Program, and how you request written advice from the FTB on whether a particular transaction is taxable.
